ABOUT US

Profile

FootLockRE is an Indonesian multinational footwear company that has established itself as a leading brand in the global footwear industry. With a strong focus on developing and exploring new shoe trends, FootLockRE has gained a reputation for offering the latest and most stylish men's shoes.

The company's dedication to providing the highest quality footwear has contributed to its rapid growth and success in the market. FootLockRE takes pride in its extensive network of branches spread across various countries, enabling it to cater to customers from all corners of the world. By offering a wide range of trendy and fashionable shoes, FootLockRE aims to meet the diverse preferences and demands of its global customer base.

History

FootLockRE's journey began with a vision to revolutionize the footwear industry by offering exceptional quality shoes that embody the latest trends. Founded in Indonesia, the company quickly gained popularity for its commitment to providing customers with the best footwear options available.

Since its inception, FootLockRE has remained dedicated to continuous improvement and innovation. The company closely follows emerging fashion trends, collaborating with renowned designers and stylists to create unique and cutting-edge shoe designs. This forward-thinking approach has allowed FootLockRE to stay ahead of the curve, consistently delivering footwear that captures the essence of contemporary fashion.

Recognizing the need to expand its reach and cater to a global audience, FootLockRE embarked on an ambitious journey to establish branches worldwide. Through strategic partnerships and meticulous market research, FootLockRE successfully opened multiple branches, ensuring its presence in key international markets.

Now, with the decision to create a website, FootLockRE aims to further enhance its customer service and provide an immersive online shopping experience for buyers from around the globe. By leveraging technology and design, FootLockRE aspires to offer an intuitive and user-friendly website that accurately reflects the brand's image and showcases its extensive collection of high-quality men's shoes.

As the entrusted web designer for FootLockRE, I will work closely with the company to create a website prototype and develop a fully functional company website that aligns with FootLockRE's vision, values, and commitment to customer satisfaction.
